UN PACKAGING WORKSHEET

Customer: _____ **Date:** _____
Prepared By: _____ **Product Packaged:** _____

Because UN packaging requirements are product specific, a separate UN worksheet should be filled out for each product that you will be packaging. This blank form may be duplicated as needed.

1. Will this product be exported? _____ Yes _____ No

2. Is the above product dangerous goods as described in 49 CFR 172.101? _____ Yes _____ No

If the answers to both Question #1 and Question #2 are No, UN markings are not required on your containers at this time. If the answer to either Question #1 or #2 is Yes, you will require UN markings on your packaging and should fill out the rest of this form.

3. Type of packaging:

_____ Steel Drum _____ Poly Drum _____ Fiber Drum _____ Steel Pail _____ Poly Pail ___ Box _____ IBC/Tote _____ Other (Specify)

4. Capacity of Package: _____ Gallons

5. Category of Packaging: _____ Tight (closed) Head _____ Open Head

6. Hazard Class of Product (Packaging Group): _____ High Hazard PG-1 (X) _____ Medium Hazard PG-2 (Y) _____ Low Hazard PG-3 (Z)

7. Product Phase: _____ Liquid _____ Solid

8. Specific Gravity (Liquid Products): _____

9. Vapor Pressure (Liquid Products): _____ Kilopascals (kPa)

10. Maximum Gross Mass Packaged (Solid Products): _____ Kilograms
